## Funeral Services For Robert Bacon

Funeral services for Robert H. Bacon, 87, Belle Glade business man, were held at the Pahokee First Methodist Church Wednesday afternoon at 2 o'clock with Rev. C. T. Howes, pastor of the church, officiating.

Mr. Bacon was found, shot to death on the living room floor of his home in Belle Glade by his brother, Jean, of Pahokee around 9:30 a. m. Saturday morning. An autopsy revealed that a bullet from a .38 caliber revolver, which was lying near the body, entered the lower part of his back left of the spine, traveled an upward path through the heart and came out near the jaw. An investigation of his death is being conducted by state and county law officers.

A native of Canadagua, N. Y., Mr. Bacon moved from Pahokee to Belle Glade approximately a year ago and operated the Everglades Discount Company in that town. He lived in Miami before coming to Pahokee.

Survivors include his wife, Sue; parents, Mr. and Mrs. Orin S. Bacon, Sr., Pahokee; four brothers, Orin S. Jr., and Jean Bacon, Pahokee, John Bacon, Canadagua, and George Bacon, Foughkeepsie, N. Y.; and a sister, Melvin Leon, Binghamton, N. Y. Following the services the body was taken to Miami for cremation. Berry's Funeral Home was in charge of arrangements.

## Howes Tells His Subjects For Sunday

Next Sunday at 11:00 a. m. the First Methodist Church, Pahokee, will observe Sacrament of "The Holy Communion." The Senior Choir under the direction of Mr. Glenn Abbing will sing and the pastor's communion meditation will center about the Theme "The Christian Imperative." At 7:30 p. m. the pastor's sermon subject will be "What Will Thou Have Me To Do?" The Youth Choir under the direction of R. O. Lamp will sing.

The Men's Bible Class announces that the teacher, Rev. C. T. Howes, will use as the lesson subject next Sunday at 9:45 a. m. "How the Hebrews came to Palestine." Several new faces have been welcomed recently and the attendance has been good. Come, find a welcome with this fine group of men.

## Mother Of Deputy Dies In Augusta

Mrs. E. P. O'Connell, 79, died at her home in Augusta, Ga., Thursday morning at 3:30 o'clock from a heart attack, according to word received in Canal Point Thursday by her son, Deputy Sheriff Frank O'Connell.

Mr. and Mrs. O'Connell and their daughter, Ann of Miami, left early this morning for Augusta where they will attend the funeral services.

Mr. and Mrs. R. W. Howland have arrived from Dartmouth, Mass., to spend the season at their winter home, The Gables, on Bacom Point Road.

## Council Passes On Truck Movements

The Pahokee City Council at a meeting last week passed on final reading Ordinance 194 which limits the movement of loaded trucks through the city limits to three streets: State Road 15 including Belle Glade Road and East Main Street, Barfield-Highway and State Market Road which connects with the Pahokee State Farmers' Market. Marvin Cowart, streets superintendent, was authorized to purchase a new power mower and scraper for the maintenance of city sidewalks.

## Livingston Named Head Vehicle Dept.

JACKSONVILLE—Arch Livingston, 43, a Tallahassee business man, has been chosen for State Motor Vehicle Commissioner, when Fuller Warren becomes Governor in January. Warren has announced the selection of Livingston, who for two decades has been identified with automobile loan and financing, to succeed John Kilgore, of Tallahassee. The salary for the position is \$7500 yearly.

After leaving the University of Florida, Livingston went into the automobile business. He was a dealer in Barlow-Mulberry from 1931 to 1934, but otherwise has been interested mainly in loan and finance. He has been in business in Tallahassee for the last nine years. He is married and has four sons. Mrs. Livingston is a daughter of the late Comptroller J. M. Lee.

In announcing the selection, Warren said the vehicle department "is responsible for an important governmental service to the people. It is concerned with the proper licensing and control, from a licensing standpoint, of all automotive equipment in this state. It assures the owner of a vehicle of a proper title and protects financial institutions against evasion and fraud."

The department employs about 400 persons and collects nearly \$17,000,000 annually.

## May Drop Plans For Loan Association

T. C. Richardson, who has been active in organizing a Federal Savings and Loan Association, said yesterday that immediate action is necessary or all plans will be defaulted by the boards on Dec. 10 and all efforts cease to organize. Mr. Richardson pointed out that it seems a shame to allow such a splendid opportunity to go by without taking advantage of it.

## WANT MARINES

JACKSONVILLE — Captain K. Flake, state Marine recruiting officer, has announced that Florida Leathernecks will conduct a statewide survey of 136 cities and towns to discover those towns which offer the best potentialities for Marine recruiting.

The captain stated that such a survey has not been made since the war, and that his office felt it imperative for the proper and efficient functioning of the recruiting service in this state.

## Schools To Net Neat Sum From Annual Game

The game between Pahokee and Belle Glade, Thanksgiving Eve is always the "money game" of the year in Glades athletic circles. Athletic Council officials have released the following figures:

Receipts:	
Gross Admissions	\$2271.10
Expenses:	
20% Federal Tax	454.22
Officials	89.00
Lights (Est.)	18.00

There may be one or two other incidental expense items to come out of the gross receipts before the net sum is split evenly between the two high schools. Anyway, each of the two high schools will receive well over the \$800 mark as its share for the evening's fun and entertainment which was freely paid for by foot ball fans.

## Veterans Advised To Revamp Wills

The following is from a Bulletin published by Florida Department of Veterans Affairs, issued November 23, 1948.

During the war, the military authorities urged all service men and women to make wills and also to execute powers of attorney authorizing some person to handle their business affairs, before going overseas.

These unrevoked and often forgotten wills and powers of attorney are loaded with dynamite in many instances. There is a chance that the veteran may lose his possessions while living if the old power of attorney is not revoked or have his possessions fall into the hands of persons other than those near and dear to him at his death under the provisions of old war time will which is still in force.

A situation has been discovered that is of immediate concern to all veterans who made wills before they went overseas but have forgotten to revise the documents since they came back.

In some cases the circumstances have changed so that the wills they made before going abroad would not now dispose of their property as they wish. We wish to warn them that they had better look over those instruments and see that the property is not bequeathed to a war bride who is no longer a bride.

## Officers Named To Operate Chest

The Pahokee-Canal Point Community Chest met recently to reorganize for the coming year and elected new officers as follows: P. P. deBoya, president; James H. Wilson, vice president; T. S. Kirk, treasurer; Joseph Kahn, assistant treasurer, and Mrs. Alma Farrow, secretary.

It was announced that the community chest will set up funds in the budget to cover all deficits in providing free lunches for underprivileged children at the school cafeteria.

## Cattlemen Will Meet December 7

The Palm Beach County Cattleman's Association will meet on Dec. 7 at 8 o'clock in the City Hall in Belle Glade, according to an announcement by Assistant County Agent H. L. Speer.

Much business will come before the gathering, Mr. Speer said. A fat cattle show for next spring at the new cattle show ring at the Experiment Station will be one of the matters to be discussed. Plans will have to be made well in advance for such a showing if it is to be successful, the agent said.

## Tony Libharts To Leave Pahokee

Mr. and Mrs. A. C. (Tony) Libhart and children, Sunny and Steven, plan to move the last of this month to North Florida where he will assume his new duties as supervisor of the State Hospital at Raiford on Jan. 1.

Mr. Libhart has been a resident of Pahokee for 13 years, coming here from Pennsylvania and has served as laboratory and X-ray technician at the Everglades Memorial Hospital since the establishment of that institution. Mrs. Libhart, a registered nurse, formerly of New Britain, Conn., was supervisor of the VD clinics in the Glades area for three years, 1945-47, and has been an active worker in the First Baptist Sunday school.

The many friends they have made during their residence here regret their leave-taking but wish them good luck in their new venture.

## Statistics Show Devils Are Alert

Coach Clyde Alley this week released some interesting statistics relating to the performance of the Pahokee Blue Devils through the past season.

In winning six games, tying one and losing three the Blue Devils scored 225 points to their opponents 88. All of the Blue Devil passing attacks were launched by Quarterback Joe Kent Carr who tossed the ball 121 times during the season. The fact that 78 of these passes were completed for the agility of his receivers, especially Hueston Connell who caught the most of them. Connell made 13 touchdowns; Carr, ten; Julian Snyder, eight; Jackie Thomas, two; Donald Danson, one, and Ted Johnson, one. In runs of 12 yards or over Connell also led with a total of 502 yards. Carr was second with 395 yards and Snyder third, 210 yards.

## BPW Club To Meet Tuesday Evening

Members of the Everglades Business and Professional Woman's Club will meet at the home of Mrs. Lorraine Vann in Canal Point Tuesday evening at 8 o'clock. Mrs. Tommie Lee DuBoise will present a program on vocational education. Mrs. Vann will be assisted with the entertaining by Mrs. Doris Carter, co-hostess.

## Chevrolet Place Change Hands, L. C. Snyder New Owner

An outstanding business deal of community-wide importance was consummated, Tuesday of this week when Raymond Christian of Christian Chevrolet sold out to L. C. Snyder of Decatur, Mich., who will operate the business under the trade name of Snyder Chevrolet Company. The sale included Christian Chevrolet's assets in Pahokee, including real estate, parts, shop equipment, all service and parts equipment, furniture and fixtures.

After being closed all day Tuesday while inventory was taken, the place of business was opened on Wednesday morning with Mr. Snyder in charge. All of the employees of the Christian Chevrolet are still on the job under Mr. Snyder.

Mr. Snyder and his family came to Pahokee from Decatur, Michigan, where he successfully operated a Chevrolet dealership for nine years. Prior to that he had 12 years experience as Chevrolet dealer employee being occupied in several capacities but always with the same popular car. He recently purchased the W. A. Cross home on Bacom Point Road in Pahokee. His family is here and two children are in school while another is under school age.

The new dealer comes to the Lake Okechobee Region highly recommended and with several years of successful service to Chevrolet owners behind him. In Decatur he won for himself an enviable reputation for fair-dealing and high class service. He extends a cordial invitation to automobile owners in this area to pay his place a visit.

Several years ago Mr. Christian took over the local Chevrolet dealership after several others had failed in the same effort. Through the years he has enjoyed a splendid business and has sold hundreds of new and used cars in this territory. (continued on page 8)

## Lions Entertain Blue Devil Squad

Pahokee Lions at their Tuesday meeting in the Woman's Club building were proud to have as guests members of the Pahokee High School Blue Devil football squad, the 1948 Glades champions, and possessors for the coming year of the Lions' Bill Young Memorial Cup.

Also luncheon guests of the club were Coach Clyde Alley, Coach William Howard, T. S. Kirk, E. F. Holt, Carmen Salvatore, Sr., and Principal C. A. Canipe, all members of the Pahokee Athletic Council. The Blue Devils were introduced by Mr. Holt.

## PTA MEETING

The Canal Point Parent-Teacher Association will conduct its December meeting in the school auditorium Monday, Dec. 6, at 8 p. m. Dennis Friend will present the program which will include dances by Mrs. Clara Maurer's fourth grade children, Mrs. D. L. Friend, president, will preside at the business.

## TOO LATE TO CLASSIFY

(By Russell Kay)

Concluding one of the best attended and well handled meetings in the organization's history, the Florida State Chamber of Commerce elected Walter L. Hays, Orlando insurance man, and civic leader, its new president; named Harold Cole, executive vice president; J. D. Ingram, treasurer and William L. Wilson, director of Florida State Farmer's Markets, corporate secretary.

Florida governors, past, present and future, were featured on the three-day program in the persons of Spessard L. Holland, Millard Caldwell and Fuller Warren. Each had a message that was hopeful and encouraging. Senior Senator Claude Pepper, although not on the regular program, talked at one of the luncheons.

Keen interest was shown in the message of Governor-elect Fuller Warren, featured speaker on the annual banquet program. Pulling no punches and speaking with his usual exuberance, Warren pictured a bright and prosperous future for the state if proper steps are taken to set a foundation for it.

Termining flood control the state's most serious and immediate problem, he said it would have his first attention and he pointed out that in order to secure necessary federal aid it was up to the state to raise its share of the needed funds. If it called for more taxes, the need was so urgent that a tax would be justified and should be looked on as an investment in the state's future welfare.

Turning to forestry, he viewed with alarm the tremendous losses experienced in our lumbering and naval stores industry amounting to 50 per cent, due primarily to our failure to reforest and the lack of fire control. Here again he warned, more money would be needed to provide adequate fire control and a sound reforestation program, but he looked on any such expenditure as an investment and in the best interests of the people and the state.

Despite the fact that top flight executives of every power company in the state were in his audience, Warren bluntly stated that power rates in Florida were so high that industrial concerns seeking a location would not consider the state on this account. He said he hoped to have a conference with the heads of all power companies doing business in the state with the view of securing a voluntary agreement that would result in lower rates.

Thinking, no doubt, of two tragic experiences of his own with motor accidents, one in which his companion was killed and another in which one of his closest friends was maimed for life, the Governor-elect made it clear that, if it was within his power, he would put a stop to reckless and drunken driving and would see to it that cattle were removed from the highways. He said on taking office he would issue instructions to every law enforcement officer in the state to beat down on traffic offenders and stated that if the situation had shown no marked improvement by the time the legislature met in April, he would ask for stricter laws and higher penalties for traffic offenders, especially drunken drivers. He promised that if any cattle were on the highways of Florida October 1, 1944 they would be there illegally.

He said that while he was not definitely committing himself, he was seriously considering the expansion of the present Workmen's Compensation Law to cover time

lost from work through illness. Contending that such legislation, now effective in other states was needed, he asked the assembled business and industrial leaders to give serious thought to the matter and in the event he proposed such legislation to go along with him. He termed the outcome of the recent election a people's mandate for legislation in behalf of the people, a mandate for a general rise in the living standards of all and that provision for aid in time of illness was that class of legislation. Government, today, he pointed out, is called upon to fulfill the pledge of the nation's founders which promised "Life, Liberty and the Pursuit of Happiness." Life and Liberty are not enough; we must follow through and see to it that our people are enabled to enjoy the pursuit of happiness.

Expressing satisfaction at being a member of the Florida State Chamber of Commerce, Warren complimented the organization on the progress it had made during the past few years, particularly since its management had been entrusted to Harold Cole, executive vice president. He said he recognized it as a progressive, unselfish organization, concerned with the welfare of the state as a whole and as such would count on it to support him in his sincere efforts to advance that welfare and serve all the people, labor and industry, rich and poor, strong and weak.

While mentioning the present citrus situation and noting the imperative need for the rehabilitation of the industry, he offered no plan which observers felt indicated that if he has any answer to the problem in mind it is not concrete enough to advance at this time. Some growers in the group had hoped he would term unity and statewide organization the best means of quickly bringing order out of chaos through the establishment of controls and an intelligent merchandising program that might save growers from another disastrous season this year.

## CHURCHES OF CHRIST, SCIENTIST

"GOD THE ONLY CAUSE AND CREATOR" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist throughout the world on Sunday, December 5.

The Golden Text is: "Thus saith the Lord that created the heavens: God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited; I am the Lord; and there is none else" (Isaiah 45:18).

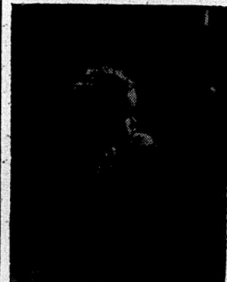

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Let thy work appear unto thy servants, and thy glory unto their children. And let the beauty of the Lord our God be upon us" (Psalms 90:16, 17 (to 3)).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Beauty, as well as truth, is eternal; but the beauty of material things passes away, fading and fleeting as mortal belief . . . Immortal men and women are models of spiritual sense, drawn by perfect Mind and reflecting those higher conceptions of loveliness which transcend all material sense" (247:10-12, 15).

Mrs. C. T. Jackson entertained at her home on Bacon Point Tuesday evening with a party honoring her son, Payne, on his sixteenth birthday anniversary. Refreshments of ice cream cake and cold drinks were served by the hostess to 10 guests.

## Cash Is Needed To Aid State Orphans

Christmas will be no different from any other day of the year for scores of utterly helpless, homeless, orphaned and completely destitute little children now under the care of the Children's Home Society of Florida in the five lovely homelike Receiving Homes of the Society throughout Florida unless a lot of kindly Florida citizens

will come to the rescue with funds, foods, Children wearables, toys, games and goodies promptly.

This is the sad story which comes from Marcus C. "Daddy" Fagg of Jacksonville, who has been the State Superintendent of the Society for over thirty eight years, during which time over 53,000 Florida children have been referred to the Society for aid and care, and new adoptive homes, from every portion of the State.

"Daddy" Fagg says, "Because of storms, floods, uncertain economic conditions, and other factors beyond our control, the Society's income has been tremendously decreased. Added to this we have faced constantly increased costs of all items of food, wearables, etc. Had we not received some bequest funds, and been able to borrow some money, we could not have rendered the very necessary services to these needy little ones."

Our immediate concern is the coming of Christmas. We just cannot permit these defenseless little children who have never known a real Christmas to face disappointment, grief and bitter tears on Christmas Day.

We employ every citizen in Florida, every business firm, lodge, church, civic and woman's organization,

school and other group, to send us all they possibly can in money, foodstuffs and children's wearables, fruits, meats, vegetables, canned goods, toys, dolls, games, etc. quickly in order that no little child will weep on Christmas morning.

All contributions of money should be sent to R. V. Covington, Treasurer, 403 Consolidated Building, Jacksonville. All articles other than cash will be gratefully received at our children's Receiving Home, 2560 Riverside Avenue, Jacksonville, or at our Children's Homes at Lakeland, Pensacola or Miami. Please remember—our need is immediate and very great.

## Cinematic Chatter

By Malcolm Miller

Have you ever known the future? Have you ever had a "Hunch"? Do you believe such prevision is a power you can develop further? Are you sure you would like to know what the future holds for you . . . whether good or bad. Think twice before you decide whether it would be a curse or gift!

Better yet, see "Night has a Thousand Eyes" at the Prince Theatre this Sunday-Monday, with Edward G. Robinson, Virginia

Bruce, John Land, William Damarest and a large cast of known featured players. It will be an experience that will long remain in your memory.

"Night Has a Thousand Eyes" is the story of a man whose uncanny knowledge of the future held so strange and strong a power over a beautiful girl that he could name her exact destiny on a menacing night "when the stars looked down."

Come to scoff . . . but we warn you . . . you may regret to believe! See you at the movies—Mal.

## GIRL SCOUTS

The Girl Scouts of Canal Point held their third meeting Friday November 26, 1943 at the Canal Point American Legion Hall. We gave the Girl Scout promise. We received the laws and regulations. We were very sorry that Mrs. Scoggin could not attend the meeting but we were glad to have a visitor, Joann Davis, from Clewiston.

—Billie Nell Stokes Group-Scribe.

Mrs. L. W. Armstrong, accompanied by her sister, Mrs. W. H. Bowers and daughter, Blanche Elizabeth, of Orlando, visited Mrs. Cora Spence in Lake Worth on Tuesday.

## From where I sit... by Joe Marsh

### Why Dutch is Growing a Beard

That beard on Dutch Miller's chin doesn't mean that he's getting ready to play Santa Claus. He's simply paying off the election bet he lost to Cappy Swanson.

And while some folks allow it's all a lot of nonsense—like the wheelbarrow ride that Cappy had to give Dutch after last election day—from where I sit, it's a mighty wholesome aftermath to a difference of opinion.

Because good Americans all take their politics and voting mighty seriously. But when the issue's

settled, and the die is cast, they accept the verdict in a spirit of good humor.

And that's as it should be when it comes to any difference of opinion. Some folks vote for beer as their favorite beverage—others vote for cider. In fact, we all have differences of taste in almost everything! But that doesn't mean that we can't live together in a spirit of good fellowship.

Joe Marsh

## LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road—*facing traffic*.

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways—many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake—on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

Mr. Motorist—

Prepared by the Associated Dailies of Florida, the Florida Press Association, and the National Conservation Bureau, as a public service.

## Sudduth - Stevens

Miss Martha Ann Sudduth, daughter of Mr. and Mrs. Peter Frederick Sudduth of Hendersonville, N. C., and Wesley Allen Stevens, Jr., son of Mr. and Mrs. W. A. Stevens, Sr., of Pahokee, were married at 5 p. m., Friday, Nov. 26, at the First Baptist Church in Hendersonville, with the pastor of the church officiating at the double ring ceremony.

The bride was given in marriage by her father. Miss Joan Sample of Hendersonville was maid of honor. Miss Nancy Stevens, sister of the bridegroom, and Miss Marjory Major were bridesmaids. Edgar Wilder was Mr. Stevens' best man.

The bride was a student at Virginia Intermont College, Bristol, Va., and attended Converse College, Spartanburg, S. C., where she majored in speech and drama.

Mr. Stevens is a graduate of Pahokee High School and is now engaged in the vegetable harvesting and trucking business. Following a brief wedding trip the couple will make their home in the J. C. Sowder residence, Pahokee.

Officers and teachers of the First Baptist Sunday school at the regular monthly meeting in the Fellowship Hall Monday night set Wednesday, Dec. 22, as the date for the annual Christmas program of entertainment for the children of the school.

## Births

Mr. and Mrs. Joseph Leon Hutton, Jr., (Nina Ruth Barwick) of Pahokee announce the birth of a son Joseph L. Hutton, III, at Good Samaritan Hospital, West Palm Beach, Nov. 27.

Mr. and Mrs. T. D. Lynn of Pahokee announce the birth of a daughter, Cynthia Jane, at the Everglades Memorial Hospital, Nov. 26.

Mr. and Mrs. Calvin Peacock of Pahokee announce the birth of a son at the Everglades Memorial Hospital, Nov. 30. Mr. Peacock is a student at Rollins University and a backfield star on the Rollins football team.

## Joint Meeting For Missionary Unions

The Baptist Missionary Unions of Pahokee and Canal Point held a joint meeting in the Canl Point Baptist Church Tuesday night. A mission study of the text, "Light for the Whole World," was presented by Mrs. Ned Kocher. Approximately 40 WMU members were present.

Mr. and Mrs. Carmen Salvatore, Sr., had as a recent guest their daughter, Mrs. Jack Paulette, of Tampa.

## Gene Rushing Is Bride Of Mr. Cross

Miss Gene Stratton Rushing, daughter of Mrs. Thaddeus Remre Rushing of Statesboro, Ga., became the bride of Francis W. Cross, Jr., son of Mr. and Mrs. Francis W. Cross, Cr., at a candle-light, double ring ceremony held at the Belle Glade First Baptist Church Thanksgiving afternoon with Rev. L. F. Vanderwater officiating and Rev. I. E. Enlow assisting.

The church was lighted with white tapers in candelabra on either side of the altar and candles in triple holders at the windows. Also on each side of the altar were baskets of pompon chrysanthemums with a fan-shaped arrangement of palms and a large basket of pompons in the background. Miss Jean Martin, soloist, sang "I Love Thee," accompanied at the piano by Mrs. S. T. Ingram who also played the traditional wedding marches.

The bride, given in marriage by her brother-in-law, Julian H. Lockhart of Miami, wore a white duchess satin gown with basque waist, long pointed sleeves, illusion yoke with chantilly lace ruffle and gored skirt with train fashioned with chantilly lace tunic over satin. An illusion fingertip veil was attached to a tiara of chantilly lace and satin with crown edged in orange blossoms. Her only ornament was an amethyst brooch set in seed pearls, a gift from the bridegroom. She carried a bouquet of lilies of the valley centered with yellow orchids.

Mrs. H. V. Aiken of Sanford, matron of honor and cousin of the bride, wore an aqua taffeta dress fashioned similar to the bride's and carried lavender orchids. The flower girl, Sandy Sims of West Palm Beach, wore a pink taffeta replica of the bride's gown and had pink sweetheart roses on either side of her seed pearl tiara.

Joe Tom Boynton of Pahokee was Mr. Cross's best man. Clyde Clayton, John S. Harrington and Walter Bamford, brother-in-law of the bride, served as ushers.

Following the ceremony a reception was held at the Belle Glade Country Club. In the receiving line were the bride and the bridegroom and their mothers, the matron of honor and Mrs. Walter C. Bamford, sister of the bride. Mrs. Roy Bair presided at the bride's book. Serving were Mrs. Roscoe Bradock, Mrs. George Williams, Mrs. John T. Pickett and Mrs. G. Lavton Sims. Mrs. David Stoddard played soft music through the reception.

Before leaving on the wedding trip the bride changed to a dress of leaf green with green accessories and gray jacket, carrying the orchid corsage from her bridal bouquet. The couple will return this weekend to Belle Glade where they will make their home.

## NEW MATERIAL

TAMPA—Startling evidence as to the value of aluminum as a building material was revealed not long ago when the cap of the famed Washington Monument was removed so that its lighting arrestors could be replaced, it was pointed out by Ralph Gerstanzang of the ABC Steel Equipment Company of Tampa, one of the best known authorities on aluminum in the country.

When the cap of the monument was removed it was found that the inscription on the aluminum tip was still legible after 64 years of standing in all kinds of weather. More and more aluminum is being used for building construction in Florida because of its light weight, strength and weather resistance, states L. A. Coons, ABC sales manager.

The promising Tampa industry specializes in the manufacture of aluminum casement windows for homes and buildings.

Mrs. J. V. Thomas and daughter, Nancy Lee, and Miss Yvonne Fraser were week end guests of Mr. and Mrs. E. G. Kilpatrick in Sanford.

## Personal

Miss Betty Howes, who has been in the government service in Japan and China for the past two years, has arrived in Pahokee for a visit with her parents, Rev. and Mrs. C. T. Howes.

Mr. and Mrs. E. J. Carlton and children spent the Thanksgiving holidays with her parents, Mr. and Mrs. Johnson, in Miami and his parents in Delray Beach. The Carlton family is planning to move the last of the month to Fort Lauderdale where he is being transferred by the Gulf Life Insurance Company.

Mrs. S. F. (Dick) Parrish and daughter, Sylvia, upon their return from a visit with relatives in Virginia this week, were accompanied home by Mrs. Parrish's sister, Mrs. G. M. Williams, who will visit here.

Mr. and Mrs. A. P. Rogers and daughter, Beverly, of St. Petersburg, are guests this week of his brother and sister-in-law, Mr. and Mrs. J. D. Rogers, in Pahokee.

Mr. and Mrs. Jack Spencer and children spent Thanksgiving with his parents, Mr. and Mrs. W. E. Spencer, in Lake City.

Allen Segree spent the Thanks-

giving holidays with Mr. and Mrs. J. Frank Colson and son, Jimmy, near Reddick.

Mr. and Mrs. H. M. Keith of Denver, Colo., were guests of Mr. Keith's brother, M. D. Geiger and family Thanksgiving. Mrs. Keith and Mr. Geiger had not seen each other in several years.

Mr. and Mrs. F. M. Shaughnessy spent Saturday and Sunday in Tampa with their daughter, Jeanne.

Mr. and Mrs. Wesley Wade and daughter, Ina Faye, spent Thanksgiving holidays in Pahokee. Ina Faye and Bergatta are attending St. Andrews Parish School in Charleston, S. C. Mr. and Mrs. Wade expect to move to their plantation there in the next few months.

Is ready to serve your every printing need. A call will bring a representative to your office. Make that call today and let's get your fall printing done today while time is plentiful and you are not rushed.

### 20th Century Marvel

Kluge Automatic Printing Press

This fully automatic press renders the same high type printing service right here in Canal Point that you secure when you buy printing in larger cities. Fully automatic, this press is a marvel of the 20th century. See it in operation and marvel at its exactness and clarity of printing.

## The Everglades News

PAUL RARDIN, Publisher

CANAL POINT, FLA.

Enjoying Florida Sunshine At Key West is this group of top Democratic leaders, as they met there last week with President Harry S. Truman. Seated are Defense Secretary James V. Forrestal, the President and Senator Claude Pepper of Florida. Standing are, left to right, Paul E. Fitzpatrick, Democratic Party chairman of New York state; Governor-elect Fuller Warren; Representative George Smathers of Miami; C. V. Griffin, citrus grower of Howey-in-the-Hills, Florida; and Leonard Hicks, Chicago hotel owner. Pepper and Warren journeyed to Key West to discuss the problems of the Florida citrus industry and flood control with the President.

## Pahokee Blue Devils Win Glades Cup From Belle Glade's Favored Rams

The huge crowd of Glades football fans that jammed the bleacher seats at Lair Field Thanksgiving Eve were brought to their feet in goggle-eyed excitement as they saw a vastly under-rated Pahokee Blue Devil team come from behind to outguess, outpace and completely "Trumanize" the favored Belle Glade Golden Rams, 26 to 14, in the annual Bean Bowl Glades championship classic.

The game was a fitting climax to the football careers of three great Blue Devil backs, Joe Kent Carr, Hueston Connell and Julian Snyder, who were playing their last of football under the blue and white. Connell and Snyder played magnificently but Carr was truly the sparkplug that kept the powerful Blue Devil machine, supercharged now and then by oxygen, smoothly firing on all eleven throughout the grueling contest. His continuous stabs through the Ram line, his bulging passing, his kicking and running were the sensation of the evening, winning the admiration of even the most rabid Belle Glade supporter. Jackie Thomas, freshman fullback, let the others carry the ball but made some fine assists in his blocking and tackling.

The final game also gave the Blue Devil line, which has played erratic ball through the season, an opportunity to redeem itself in a blaze of glory. George Sims, Ted Johnson, Charles Phillips, Raymond Caruthers, Donald Danson and Lee Wroten were playing their last game in the forward wall. These boys, ably assisted by Bobby Peacock, Richard Tillis and Junior Holmes, charged so fast through the Belle Glade line after the first quarter that the Ram's ace quarterback, Tommy Williams, was cut short on his famed end runs and was hurried so much with his passes that few were completed. Pahokee's big center, George Sims, seemed to be everywhere—recovering Ram fumbles, intercepting passes and tackling startled Ram backs behind the line of scrimmage.

For the Rams, seven first string were also playing their last high school football game because of graduation next spring. They were Jerry Cone, an outstanding end and pass receiver, Jim Layfield and Kenneth Bass, backs; Billy Joe Leathers, Henry Fears, Junior Walker and Harry Doggett, lines-

men.

The Rams, victors over the Fort Pierce Eagles who tied Vero Beach for first place in the Gulf Stream Conference, outplayed the Devils and lived up to predictions as to how the game would go, through the first quarter. A pass by Carr, the first play of the game, was intercepted by Kenneth Bass on the Belle Glade 48. The Rams brought the ball down to the Pahokee 37 where Williams kicked out beautifully in the coffin corner on the Pahokee 5. After being forced back to the 2, the Blue Devils kicked to their own 43, the Rams in seven plays then drove and passed their way to the Pahokee 4 where Fullback Alvin Leathers pierced center for the touchdown and Williams kicked the extra point.

In the second period the Blue Devils drove from their own 25 to the Belle Glade 14 only to lose the ball on downs. The Rams moved it back to their own 26 then kicked to the Pahokee 40 where Carr caught the ball and brought it back to the Belle Glade 49. Carr then passed to Connell who snatched the ball on the 30 and ran it down to the 5. Carr swept right end for four yards before knifing through right tackle from the one-yard line to score. Connell's kick was blocked. Soon after the half ended with the Rams leading, 7 to 6.

After the bands of the two schools completed their entertainment on the field there came that amazing second half in which the Golden Rams, except for a brilliant interception and touchdown run by Williams, were stopped cold by Coach Clyde Alley's men. During the last half the Belle Glade eleven gained 10 and lost 22 yards for a net total of minus 12 yards running and completed nary a pass out of six attempts.

Near the start of the second half George Sims recovered a Ram fumble on the Belle Glade 34. In eight plays the Blue Devils drove to the 5 and Carr passed to Connell in the end zone. The placement attempt was wide. Sims recovered another Ram fumble on the Belle Glade 36 a little later in the same period. In two plays through the line Carr carried the ball down to the Belle Glade 21 and from there passed a short one over the line to Snyder who found himself hemmed in on the 13 and laterally to Connell who ran the ball the rest of

the distance to pay dirt. Carr added the extra point with a placement.

At the start of the final period the Blue Devils were again deep in Ram territory on the 16 following a 34 yard drive. From the 16 Carr passed to Ted Johnson in the end zone and made the extra point with a placement kick. A few minutes later Tommy Williams popped the cork from the Blue Devil bottle when he intercepted one of Carr's passes on his own five-yard stripe and picked up excellent interference to race 95 yards down the sideline for a touchdown. Williams then kicked the last point scored in the game. In the final moments of the fray Leathers recovered a Pahokee fumble on the Pahokee 42 and the Rams brought the annual classic to a close with a barrage of incomplete passes.

In a brief ceremony following the game the Lions' Bill Young Memorial Cup, held by the Belle Glade Golden Rams for the past two years, was presented to the Pahokee Blue Devils who then sped for the showers with their broadly smiling coach perched on their shoulders.

Pahokee got nine first downs to Belle Glade's seven and netted 135 yards rushing to the visitors' 61 yards. The Blue Devils passed 13 times, had two intercepted and completed five for 94 yards. They fumbled twice, recovering once and were penalized 35 yards. The Golden Rams attempted 12 passes, had one intercepted and completed three for 24 yards. They fumbled four times, recovering twice and were set back 45 yards by penalties.

### CARD OF THANKS

We wish to thank our many friends and neighbors who were so kind and thoughtful during the illness and death of our loved one—L. L. Knight. We shall always remember the consoling words and expressions of sympathy. To those who sent lovely flowers we are deeply grateful.

Mrs. L. L. Knight and All Members of the Family.

Mrs. W. R. Kaufman and children were guests of her parents, Mr. and Mrs. W. W. Cornell, in Fort Lauderdale this week.

## Woman's Club To Aid Yule Giving

Members of the Pahokee Woman's Club at a meeting in the clubhouse last week voted to assist the Salvation Army and local Lions in the distribution of Christmas baskets to needy families in the Pahokee-Canal Point area. Mrs. J. C. Shoopel, county welfare officer for the Glades area, asked members also to assist with the packing of the food and gifts for the Christmas baskets at the warehouse at Morrison Field.

The club voted a \$25 contribution to the Community Chest the fund to be raised through the sale of flowers, with Mrs. Sadie Barwick in charge. On the program Mrs. J. W. Jones of West Palm Beach gave a demonstration of the use of sewing machine attachments.

J. D. Harpley, USN, has been transferred from the San Diego Naval Base to San Francisco, Calif., where he expects to sail soon for several months of duty in China, according to word received by his parents.

Mrs. Homer J. Clause has as a guest this week Mrs. Dale Burkhardt of Chicago, Ill.

## PRELUDE TO ACCIDENT-

### *Injury - - - - Death!*

Every violation of the center line of safety is a potential prelude to accident.

Crossing into the danger zone can occur at the approach to the top of a hill—on a curve—going into an underpass, or even on the straight highway. That's reckless, dangerous driving! Accident records show that about one half of all fatal traffic accidents result from bad driving habits such as these.

It's your responsibility to yourself, your family and to others who share the road to avoid these "Pass-Pockets" where lurk injury—and death.

Don't let impatient driving tag your conscience with being one of those who contributed to the maiming or death of the hundreds of thousands who will be auto accident victims this year.

*You can be a safe driver if you will. It's up to you.*

Mr. Pedestrian—

**Chevrolet Place—**

continued from page 1

At the time of selling out he had an outstanding business and through efficient planning had a modern and well organized dealership.

In announcing sale of his Pahokee business, Mr. Christian announced that the sale would have nothing to do with his Chevrolet dealership in Clewiston where Hub Spooner, the manager and other personnel will remain on the job. He did not announce his immediate plans but will, in all probability, move to Clewiston around the first of the year.

Dr. and Mrs. R. R. Long had as dinner guests Thanksgiving day Dr. and Mrs. W. D. Brown of Fort Pierce.

**Canal Point Mission Group Met Tuesday**

The Canal Point Women's Missionary Society met at the church Tuesday for the study of the mission book, "Light for the whole World."

Mrs. Ned Kocher reviewed the book in a very pleasing way, using a map to show the position of all Mission Stations. We were pleased to have a number of Pahokee women to visit with us. The week of Prayer Program will be continued through the week with a service at the church Wednesday Evening.

A party will be held at the Legion Home Friday night with the Ladies Class of the Missionary Baptist Church as Hostesses to the Men's Bible Class.
